*Restrictions prohibit using ComSouth's Unlimited Long Distance service for certain activities, including but not limited to, autodialing, continuous or extensive Call Forwarding, telemarketing, fax broadcasting, data applications, VPNs or to continuously or excessively access an Internet dial-up service. The purpose of the plan is to provide unlimited domestic U.S. voice calling for residential customers. ComSouth reserves the right to immediately terminate or modify the plan if ComSouth, at its sole discretion, determines that the service is being used for any of the aforementioned activities or any activity inconsistent with normal usage patterns for voice calls. In the event a call is identified as falling into a restricted category, it will be billed at \$.10 per minute.
